**ELink - \$25.00 one time set-up fee**

This gives you access to your account via the internet. You can view alarm history for your account. You can also view and print reports, zone information and call list information. You will also have access to view your openings and closings (when the system is armed or disarmed) if you sign up for it. (see below)

**Monitored Openings & Closings**

**Openings/Closings: Log Only - \$15.00/mo payable per year subscription - \$180**

Every time the system is armed or disarmed it is logged into the accounts history. You may call at any time to get the information, or view the information via Elink if you are enrolled in that program.

**Supervised Openings/Closings - \$20.00/mo payable per year subscription - \$240**

At the time of programming, you will provide us with a schedule that informs us when the location should be open/closed. Every time the system is armed or disarmed it is logged into the accounts history. If the system is armed or disarmed outside of the set schedule, we call and notify. If the system is not armed or disarmed at scheduled time we call and notify. You may call at any time to get the information, or view the information via Elink if you are enrolled in that program.
